Description

This work by Odette Collon, *The Angel and the Sleeper* (1996), is an oil and sand painting on wood (70x70 cm) where the material reveals a unique tactile depth. The abstract forms in dark and pinkish shades suggest the presence of an angel watching over a sleeper, between mystery and serenity. Born in 1926 and died in 2013, Odette Collon is a Belgian artist known for her work combining abstraction, spirituality and natural textures. Her painting invites meditation through a subtle alliance of material and light. Condition: I report small accidents to the black frame mainly in the corners
