

## Simple Brass And Crystal Pendant Light Attributed To Palwa

750 EUR

Period : 20th century

Condition : Restauré

Material : Brass

Diameter : 25

Height : 25

### Description

This stunning pendant light was designed and manufactured by the German company Palwa in the 1960s. Made of brass and faceted crystals, it demonstrates true mid-century craftsmanship. It sparkles like a dream! The ceiling rose is a perfect match. The pendant length, including the chain, is 59 cm. You can, of course, make it larger or smaller by simply changing the chain length. We will be happy to assist you. Palwa was created in Germany by designers Palme and Walter. We also offer a pair of exceptional wall sconces to complement this pendant light. Visit our website or contact us for more information.
