150 EUR

Period : 20th century

Condition : Très bon état

Material : Sandstone

Diameter : 7

Height : 15

Description

Charming and rare, small stoneware vase, with a tapered ovoid body, fitted with two small openwork ears. Very beautiful electric blue and acid green glaze typical of the manufacture of the Méténier Brothers to whom it is attributed, because it is not signed, Clermont-Ferrand early 20th century 1900-1910, it could also be a piece from Denbac or Pierrefont. Late Art Nouveau early Art Deco style. The enamel is enhanced with brilliant crystallization flowers, the whole is hypnotic and magnificent. 15cm high, approximately 7cm max diameter. Perfect condition, nothing remarkable. Approximately 300gr.
