Description

Elegant pair of table lamps produced by Harvey Guzzini, the famous Italian design house of the 1960s and 1970s. Their iconic silhouette combines a tulip base in transparent plexiglass and a cylindrical chrome-plated metal shade with a clear interior, providing a light that is both diffused and warm. A true manifestation of Italian Space Age design, this rare pair of lamps perfectly embodies the refined and futuristic aesthetic of Harvey Guzzini. It fits equally well in a contemporary decor as in a high-end vintage interior. Very good condition, minimal signs of use consistent with age. Recently electrified to EU standards.
