

## Unpublished Renaissance Medal, Bust Of A Clergyman

350 EUR

Period : 16th century

Condition : Bon état

Material : Bronze

### Description

Massive bronze medal depicting a clergyman wearing a coat. 16th century Bronze D. 5.7 cm  
This medal is unpublished. The massive cast, the color of the metal alloy, the patina and finally the bold and ample style of the representation place this object in a Renaissance workshop. Very beautiful bronze.
