

- Ironwork - Angel Head - Antique Ornament - Not Complete -

80 EUR

Period : 17th century

Condition : En l'etat

Material : Wrought iron

Description

- it is above all the preservation of the object which matters, the period which we put forward is probably not exact....but a strong antiquity seems beyond doubt..... - a lack on the right side of the angel, then the piece seems to be the culmination of a larger object140 x 90 mm for a weight of approximately 300 gr. -
