Description

This is a stunning and sophisticated piece of mid-century furniture. 1970s Italian design often combines elegance and practicality, making this coffee table truly unique.The combination of walnut veneer and white lacquer creates a captivating aesthetic. Contrasting colors are a key element of its unique design. Its square shape, combining aesthetics and functionality, makes it a versatile addition to any living space. Additional details, such as the niches in the lower shelf, make it practical and offer additional storage space for magazines or other everyday items. It features convenient wheels for easy movement when hosting guests. In the center of the tabletop, a unique open compartment can be used for magazines or, more creatively, for a vase of flowers.The surface has been completely restored,
