

## Antique Ruby-red Blown Glass Vase From Murano

200 EUR

Period : 20th century

Condition : Très bon état

Material : Glass

Diameter : 16

Height : 20

### Description

Antique blown glass vase from Murano, featuring a flared shape and a deep ruby-red hue, crafted in the first half of the 20th century. Technical note: Red glass in Murano production is regarded as one of the most valuable and challenging colors to achieve. Historically, its creation required the addition of pure gold in the form of chloride or gold salts--a costly and delicate process that imparts the glass with its signature richness and warmth.
