

## Yoni, Divine Vulva, India

220 EUR

Period : 20th century

Condition : Très bon état

Material : Bronze

### Description

The yoni, in Hinduism, refers to the female genital organ, the "divine vulva." It is the symbol of the feminine energy called shakti. We present this receptacle, from North India, early 20th century, intended to receive a mixture of milk, water and honey to water the statues dedicated to Shiva.
