Description

Oil on canvas, late 18th century - inspired by Palma Vecchio Dimensions: 73 x 78 cm (unframed) A fascinating oil painting on canvas, dating back to the late 18th century, executed according to the taste and pictorial models of the Venetian school, particularly inspired by the work of Palma Vecchio. The scene is striking for its chromatic intensity and overall luminosity, which give the work an elegant character and a strong decorative impact. It is a captivating painting, capable of enhancing both classic and modern settings with its timeless charm. Unframed Condition: good, with normal signs of aging
