Description

A molded blown glass vase...And four sandblasted bands...From the 1940s...For me from D'AVESN...I say that because it is close to his production for spring...And as not all of his production was signed...!In short, if I have any information I will rectify or confirm...On the other hand, it is a model that I did not know...!In perfect condition, the usual defects of blown glass...It is a beautiful soft glass...And a beautiful thickness...Weight ... 2 kilos 96 gr
