Description

Rare decorative vase in patinated sheet metal, Medici shape, dating from the 19th century, ideal for garden or interior decoration in a classic and refined style. This antique metal vase seduces with its characteristic flared silhouette, its rich scale and gadroon decoration, and its superb original patina, mixing shades of rust, bluish gray and verdigris. Mounted on a square base, this antique sheet metal vase is reminiscent of the ornamental pieces found in French gardens, orangeries or large collectors' greenhouses. The textured appearance of the metal and the traces of time reinforce its authenticity and its unique decorative character. A truly charming object, this Medici sheet metal vase is a choice piece for elegant outdoor decoration, a house entrance, or a tasteful plant display. It can also be integrated
