

Portrait Of A Young Girl From A Good Family Circa 1820, Hst

1 200 EUR

Period : 19th century

Condition : Bon état

Material : Oil painting

Description

Portrait of a young girl from a good family with a youthful face, shiny roller hairstyle and a transparent dress leaving much uncovered, which has a fitted bodice ending just below the bust, which gives the appearance of a tall stature, very light and loose dresses, usually white and often leaving the arms bare - a shocking novelty at the time. Oil on canvas circa 1820, 19th century frame of 42 x 50 cm, stretcher 46 x 38 cm Good condition
