Description

This work is signed Cornelius de Boudt (1660-1735), painter of the Flemish School, Antwerp. We note stains, notably at the top left and between the two characters on the left, yellowing due to time, rubbing and foxing. Note a hole in the drapery of the kneeling character, a black stain at the bottom and black dots in the cherubs, a fold in the right corners, at the bottom and top. However, this painting remains in a suitable state of conservation given its age. Sold untouched, unrestored. For the condition, please detail the photos. Do not hesitate to zoom in. The photos are an integral part of the description.
