"Portrait of a Bourgeois Gentleman," oil on canvas, 19th century
Description of the work: This elegant oil painting on canvas depicts a mature man, likely belonging to the educated bourgeoisie of the 19th century, portrayed in a half-length portrait with his gaze directed toward the viewer. The serene and slightly smiling face is rendered with great attention to detail, giving the figure a sense of dignity and cordiality at the same time. The subject wears a dark suit with a waistcoat and black bow tie, typical of middle-class men's clothing in the mid-19th century. The neutral, dark background highlights the face and clothing, following the tradition of 19th-century portraits, which aimed to celebrate the person without distracting scenery. Frame: The work is housed in a gilded frame with rich
