Description

Introducing this fantastic antique Italian wardrobe from the early 19th century. A wardrobe with timeless antique charm! Made of solid poplar in a beautiful finish. Featuring a very linear structure, without excessive ornamentation, a light carved decoration on the doors softens the linearity. It features two doors, and the interior features a practical layout with five shelves and a small clothes rail positioned on the left, which you can use if you wish by removing the shelves. The interior is also lined with fabric. Note: The interior can be customized to your needs by removing shelves and adding a clothes rail. The fabric can also be removed, leaving the wood exposed or lining it to your liking. These modification requests must be made prior to ordering. Please note: this wardrobe cannot be

disassembled; you will receive a large package, so be sure to check the dimensions for access to your home. This wardrobe tells a part of the history of Italian furniture, being a very popular model among 19th-century families in Northern Italy. While we consider it perfect for decorating a country or mountain home, its antique charm can also lend warmth to a modern, urban setting. The cabinet is in good overall condition, with minimal signs of wear consistent with its age. Please note that you will receive a very large package that will be left curbside. We can ship worldwide; contact us for a personalized quote. In conclusion, don't hesitate to include this splendid antique Italian cabinet in your decor: it will become a historic piece admired by all your guests.
