Description

Rare Bressan armoire from the Bourg-en-Bresse region, the land of the finest cabinetmakers of the time for Bressan furniture. This armoire offers us all that is best in the manufacture of an armoire. The ideal proportions, the quality of the woods used, the quality of the carving both in the choice of motifs and in the finesse of the sculptures, the quality of the ironwork, from the door frames to the lock entries. Everything is combined in this exceptional piece of furniture.
