Delivery Our main depot is located in Montpellier, in the South of France. The majority of our stock is shipped from here. For smaller items under 20 kg and with a circumference of 180 cm (w + h x 2), the parcel measures approximately 50 x 30 x 40 cm. Delivery takes 7 to 14 days depending on your location. Customs charges may be applied to your parcel, payable on delivery. Please contact our dedicated team for more information before your purchase. Large items to the UK and EU These items are shipped using our own partner carriers operating between the UK, France, and Spain. We aim for a delivery time of 2 to 4 weeks. We can ship to other EU countries, but delivery times may vary. Contact us for a shipping quote. **Large Items - Overseas Delivery** We will need your full address to obtain the actual cost of shipping from our partners.

Once all costs are agreed, we will arrange for packing and crating if necessary. The shipment will then be delivered to our freight forwarding partners in the UK and booked for the next journey. Delivery time can vary from 2 to 4 weeks depending on the destination. If you do not have a customs broker to handle customs taxes (you may be liable for taxes on your purchase) and paperwork, our freight forwarding partners can assist. These overseas deliveries can take

between 4 and 8 weeks. **Insurance** For any shipment for which you have paid for additional insurance, in the event of damage during transit, any damage must be reported immediately to the final destination carrier and to us so that we can initiate the recovery process. **claim>Returns** In the unlikely event that you are not completely

satisfied with your purchase, please contact us within 3 days of receipt to arrange a return and refund. Returns must be made in the original packaging as received. Items must be returned in their original condition. The buyer must notify the relevant shipping company that this is a return

and cover all costs.
