2 Pairs Of Louis XIII Style Jacquard Woven Curtains With Greenery Decoration

700 EUR

Period : 20th century

Condition : Bon état

Material : Linen

Length : 285 cm

Width : 120 cm

Description

Superb curtains with greenery decoration in the Louis XIII style, early 20th century. Curtains in woven Jacquard, very thick and tightly woven fabric, ideal for making doors or for insulating large windows. Superb drape, fresh colors in shades of brown and green. Decorated with ferns, irises and various foliage. Pair 1: Fabric lined with brown ochre cotton in used condition (traces of moonlight). The curtain itself is in perfect condition with the top mounted with gathers. Ready to be installed: assembly with large wooden rings on ribbons. Length: 285 cm each, width: 120 cm each. Pair 2: Unlined fabric. The curtain itself is in perfect condition with the top mounted with large pleats. Ready to be installed: assembly with large wooden rings on ribbons. Length: 262 cm each, width: 120 cm each.
