Description

A 19th century masterwork representing a framework project. A very interesting piece that has retained all of its original patina and is in an excellent state of preservation. A very beautiful framework composed of numerous elements with varied force transmissions, allowing, through an ingenious assembly, a large structural span. A moving collector's item, this work of a journeyman, having survived the years in remarkable condition. Possibility of sending in France and worldwide by secure and insured package with order tracking. Invoice and certificate provided.
