

Pair Of Blown And Cut Crystal Christmas Balls

150 EUR

Period : 20th century

Condition : Très bon état

Material : Crystal

Diameter : 16

Description

Rare pair of mouth-blown red (ruby) crystal Christmas baubles with slight visible air bubbles--a typical sign of craftsmanship. They are finely wheel-cut with latticework, foliage, and stylized star motifs, and are fitted with metal mounts with suspension rings. Authentic objects, witnesses to the ancient art of Christmas glassmaking, highly prized by collectors.
