

Pair Of Gilded Wooden Sconces, Baroque Style, Early 20th Century

300 EUR

Period : 20th century

Condition : Bon état

Material : Gilded wood

Description

Superb pair of wall sconces with two arms of light, in carved wood and gilded stucco. The decoration is rich and symmetrical, adorned with palmettes and volutes, typical of the Baroque taste. Old gilding with beautiful patina. A few small chips in the wood, discreet and natural, underline the authenticity and charm of the whole. Old electrification, to be checked.
