Description

Superb small polychrome fir wardrobe from the 18th century. Very small with its 1 m 80. Opens with two doors, original lock. Inside small arrangement on the right with two small drawers and shelves. On the left it can be fitted out as a wardrobe. Good used condition, original polychromy a little chipped in places, see photos. Small restorations of use (sticks, volutes, retouching). This small wardrobe cannot be dismantled. Back base in original fir also. Very pretty, authentic and sincere, good patina of use. Dimensions of the body: Height 165 cm at the back, width 119, Depth 52 cm
