

Chinese Silk Painted Triptych

1 470 EUR

Period : 19th century

Condition : Bon état

Material : Silk

Width : 27

Height : 107

Description

A triptych of silk paintings depicting three outdoor scenes likely illustrating an unidentified text from Chinese literature. Finely painted, they are framed in Napoleon III period frames, made upon their arrival in Europe. They each measure 88.5 x 20 cm. The frames have some damage to the black stucco.
