Description

Very pretty and large enameled porcelain statuette called "blanc de Chine", representing the goddess Guanyin sitting in lalitasana (royal relaxation) on a fo dog, her left foot resting on a lotus. She holds a ruyi scepter. Her dress half-open at the neckline reveals a rich necklace. The porcelain work is very fine and delicate. The goddess is wonderfully represented. The delicacy of the features of her face gives her an air of serenity and benevolence.
