Description

Beautiful complete service of 12 small spoons in vermeil by the master goldsmiths Choel and Barruzele in Paris around 1885/1886. Beautiful spoons finely chiseled with stylized shell decoration. Pointed shape typical of the late 19th century. They are arranged in their original wooden box, very good quality. Each piece has the Minerva hallmark and the founder's hallmark "CB" for choel and Barruzele, active around 1885/1886. 15 cm long, weight: 216 gr Very beautiful art-nouveau service.
