

Lalique - Satin Crystal Sparrow "tilted Head" - Pressed Glass Figurine, 20th Century

250 EUR

Period : 20th century

Condition : Parfait état

Material : Crystal

Description

Charming satin crystal figurine signed Lalique France, depicting a sparrow with its head gracefully tilted to the side - one of the iconic models created by the renowned Lalique glassworks. This delicate bird, with finely detailed features, beautifully captures the softness and elegance of Lalique's style. Crafted in molded and satin-finished crystal, the sculpture highlights the exceptional craftsmanship of the crystal house founded by René Lalique in the early 20th century, world-renowned for the quality and poetry of its creations. This piece is in excellent condition and will appeal to both collectors and lovers of fine decorative arts. Details: Maker: Lalique France Model: Sparrow "Tilted Head" Material: Satin-finished pressed crystal Period: 20th Century Condition: Excellent
