

Bamboo Coat Rack In The Style Of Perret & Vibert

1 750 EUR

Period : 20th century

Condition : Etat d'usage

Material : Bamboo

Width : 125

Height : 240

Description

Monumental bamboo coat rack with painted leather panels with Japanese-style decoration in the style of the Perret et Vibert house in Paris at the end of the 19th century. Very decorative, it is missing a small hook and the left front of the bamboo needs to be reattached.
