

Large Carved Austrian Wooden Planer Dated 1856

580 EUR

Period : 19th century

Condition : Bon état

Material : Solid wood

Length : 50

Description

An interesting, richly decorated Austrian wooden plane, featuring initials engraved on the front and the date 1856 on the back. This type of plane is especially common in the Alpine regions of Austria and Germany, and is generally somewhat smaller in size (about 25-30 cm).
