

Head Of Child Bacchus In Terracotta, 20th Century

480 EUR

Period : 20th century

Condition : Très bon état

Material : Terracotta

Height : 24 cm

Description

Beautiful Head of Child Bacchus in Terracotta 20th Century. Charming head of the god Bacchus child in terracotta. Work from the first half of the 20th century with a hollow mark on the back and the sign made in Spain. The god of wine is represented in the form of a child wearing a crown of bunches of grapes and branches of vines with natural leaves. Beautiful natural patina of the terracotta. A charming child's face. Dimensions: 24 cm high. We deliver and ship all over the world, please contact us for a precise quote.
