## Description

Charming gilded metal chandelier representing a bouquet of blooming roses and foliage. Italian style, made in the 50s and 60s. Made of gilded metal with an old gold finish, the rosebuds are painted yellow inside the petals and covered with gilding imitating broken gold leaf. Overall in good condition, some rare small patina wear, without impact. The electrification is original and in good working order. Shipping costs for mainland France 35 euros, other destinations please contact us.
