Description

Superb oil painting by the French school painter Romana Arregui. Born in Bilbao, 1875-1932. Works in Paris and is part of the Salon des Indépendants from 1910 to 1935. Here is a very beautiful representation of his talent with this portrait of a bearded philosopher, in very good condition! With its gilded pigtail frame. Some touch-ups to be done on the frame, sold as is and in its original condition! Very beautiful pictorial technique! Remarkable facial expression! Lots of details on this painting! (unsigned because the signature was erased by the family over time, according to the castle) but undoubtedly attributed to the painter Arregui. Marked on the back. And sale price in ink of the time in francs. Size of 88x78cm with frame and 66 x55 cm without. Visually a high quality painting! Very
