

Fireplace Threshold Bar Circa 1830

380 EUR

Period : 18th century

Condition : Très bon état

Material : Bronze

Width : 87 cm

Height : 23 cm

Description

Here is an essential decorative element for a restoration or empire period fireplace, which will enhance the sobriety of the black or gray marble frequently used at that time and will protect the floors from falling embers. Note the elegant gilded bronze readers as well as the central Medusa, the ribs decorated with gilded pine cones. Rust on the small upper bar, otherwise excellent original condition.
