Description

Hard stone sculpture entitled "Sitting Cat" signed F.Migeon. Height 11.5cm - Depth: 6cm Francis Migeon, born in Paris in 1927 and deceased in 2017, was a master ivory carver, renowned for his exceptional expertise and his commitment to family tradition. He inherited several generations of ivory craftsmen, dating back to his grandfather Célestin Migeon, active since 1895. Among his notable works is a sculpture entitled "Sitting Cat" made in the round in 1975, which demonstrates his affection for animal forms and his talent for capturing their elegance in ivory. Shipping for France: EUR10 - Europe: EUR20 - Rest of the world: EUR38
