Description

A masterpiece blending myth and contemporary art. This stunning mixed media on canvas depicting the face of Venus is a work of rare beauty, capable of uniting myth with modernity. Thanks to its expressive power, this creation is not just a painting, but a living testimony of art that transcends centuries. Created with great mastery, the work stands out for the quality of its materials and the depth of its details. Moreover, the use of mixed media allows the artist to add unique nuances, giving Venus's face a light that seems to radiate from within the canvas itself. Alessandro La Motta: an internationally renowned artist. The author of this work, Alessandro La Motta, has built a solid reputation on the international art scene. Indeed, he took part in the 54th Venice Biennale and exhibited in New
