

A Pair Of Late 19th-century Candle Holders

300 EUR

Period : 19th century

Condition : Bon état

Material : Glass

Width : 12

Height : 27

Description

A pair of late 19th-century candle holders in good condition despite their age, with their original patina. The candle holders are made of blown glass and embellished internally with mercury glass, giving them a beautiful silvery sheen.

Shipping is fully insured for the value of the item.

Origin: Northern Italy
