

## Set Of 3 Boxes For Religious Goldsmithing

280 EUR

Period : 19th century

Condition : En l'etat

Description
-------------

Set of three cases for religious goldsmithing, chalice etc... One is in the shape of a box, black leather and red fabric, good condition, brass hooks and handle, 29cm by 15cm and height 15cm. The second is cylindrical and used black leather with some visible missing parts, interior in red suede, brass closing hook, height 30cm, diameter of the lid 17cm. The third is older and dates from the 18th century. Wooden core covered with used black leather with a superb patina. The top and base are missing, three brass closing hooks, one missing. The interior is in suede. Height 32cm, largest diameter 18cm. These three objects are presented in a state of discovery, "attic patina" according to the consecrated expression! They are nevertheless easily restorable and the set has an undeniable
