Description

Elegant Murano blown glass vase, produced by Venini, with engraved signature at the base "Venini Italia". The body, of flattened globular shape, features a delicate amethyst tone with a cylindrical cobalt blue glass neck. Dimensions: height 11 cm, diameter 12 cm. The vase is in good overall condition, intact and without cracks. Only minor deposits and internal haze from age are visible, which do not detract from its overall appearance. A fine example of Venini's craftsmanship, suitable both for collectors of Murano glass and as a refined decorative object. Final note (standard ProAntic): For further information, photographs or technical details, please do not hesitate to contact us. Worldwide shipping available with professional packaging.
