

Antique French Empire Desk, Made Of Mahogany, Oak Interior, Original Leather Top With Empire

1 800 EUR

Period : 19th century

Condition : Bon état

Material : Mahogany

Width : 130

Height : 77

Depth : 72

Description

Antique French Empire desk, made of mahogany, oak interior, original leather top with Empire engravings. The desk has a drawer front; the opposite side mirrors the drawers, so it can be used in the center of a room. Under the top are two pull-out drawers to increase storage space.
