

De Sede Leather Sofa In 5 Elements Modular Sofa Ds14 Series

3 500 EUR

Signature : De Sede

Period : 20th century

Condition : Bon état

Material : Leather

Description

Set of 5 modular elements De Sede Modular Sofa DS14 series of high quality made in Switzerland from the best materials, full grain leather and solid wood structure. 1970s. Each element has a base under its structure in the form of long solid wood runners which allows in a few minutes to move them very easily to create a personalized sofa according to the particularities of the room or to arrange them independently. Good general condition Dimensions: Straight modules H65 P85 L65 Corners H65 P85 L85 Note that the color is slightly darker than in the photo posted online and on the other hand the difference in color on the left is due to the photo, in reality the shade is very homogeneous. Other more representative photos will be posted online soon. Delivery on estimate
