Description

A work of rare intensity

This extraordinary oil on slate depicts the mythological face of Kore, one of the most fascinating figures of Greek mythology. The artwork immediately captivates with its balance of strength and delicacy, qualities that only the skilled hand of artist Alessandro La Motta can convey.

In excellent overall condition, the painting on slate measures 31x18 cm, while with its frame it reaches 77x47 cm. On the back appears the artist's signature, a mark of authenticity and uniqueness.

Technique and material quality

Creating an artwork on slate means combining tradition and innovation. The use of this natural stone as a support gives the painting exceptional

durability and a unique chromatic depth.

Moreover, the choice of high-quality materials ensures optimal preservation over time.

Thanks to a perfect balance between pictorial technique and material rendering, this piece is equally suited to seasoned collectors and to those who wish to start investing in art with confidence.

An internationally renowned artist

Alessandro La Motta is an artist recognized worldwide. Indeed, he took part in the 54th Venice Biennale and exhibited his works in prestigious shows in New York, Barcelona, Shanghai, and Brussels. Therefore, acquiring one of his works means enriching your collection with a piece of great artistic and cultural value.

Furthermore, La Motta stands out for his ability to merge myth and contemporaneity, creating artworks that engage viewers through timeless symbols.

An opportunity for collectors and art lovers

This painting is not just a work of art, but also a bridge between past and present, between myth and reality. Consequently, it represents an ideal choice for anyone wishing to invest in authentic, high-quality art.

Additionally, its balanced format makes it easy to place in different residential or professional settings, making it a versatile yet precious artwork.
