Description

Napoleon III candelabra, 1860s, in chiseled and gilded bronze. Originally, it had wax candles, but was electrified in the 1970s. The electrical system needs to be redone and is no longer functional. It has not been redone because the new owner can choose whether to restore it to its original condition with wax candles or redo the wiring and install light bulbs. The candelabra is of beautiful, finely chiseled bronze with original gilding. Height: 38 cm Base: 13 x 13 cm
