### Description

Twelve Saint Louis glasses, crafted from crystal and adorned with gold. Their sophisticated and refined silhouette is enhanced by the splendor of their ornamentation, composed of a finely engraved frieze and enhanced with delicate gold details. Fine golden scrolls adorn the glasses, seeming to emerge from the thickness of the crystal. This service includes six pairs, each distinguished by exquisite colors: green, chartreuse, amethyst, light blue, dark blue, and red. All 12 glasses are in very good condition. Height 21.7 cm
