Description

Oil on canvas - View of Venice - Signed Alice - Circa 1900
Elegant oil on canvas depicting a view of Venice in soft, luminous tones. The work highlights an architectural facade with arches bathed in light, whose reflections extend into the calm water of the lagoon. A dark gondola balances the composition, bringing depth and contrast to the whole. The palette, dominated by pastel tones and delicate blues, is part of an impressionist approach, playing on the effects of light and atmosphere. The vaporous and fluid touch evokes a poetic and timeless scene. The canvas bears the signature Alice, without the artist being able to be identified. This absence of known reference does not detract from the decorative and artistic charm of the work, quite the contrary: it retains all its mystery.
