### Description

Antique travel clock in gilded brass with its case. I offer you an elegant antique travel clock, made of gilded brass, with its original beveled windows. This refined model is equipped with its period key as well as its leather carrying case with a beautiful patina of age. The white enameled dial, decorated with black Arabic numerals, remains in excellent condition, without cracks. The original black hands fit perfectly with the sober and classic style of the whole. This clock works with a mechanical wind-up movement. The key is provided and allows you to set the time and wind the mechanism. Details: Period: Late 19th century - early 20th century Material: Gilded brass and beveled windows Condition: Very good general condition, with slight traces of time on the case Accessories: Original leather carrying case,
