Description

Large vintage lamp from around 1930, featuring an antique galleon ship in silver-plated bronze on its solid marble base. Very beautiful and original lamp with a high-quality chiseled and silver-plated ship on a beautiful marble base, very stable thanks to its mass. Very decorative and imposing piece, total height 85 cm. Surely a unique lamp presented with a modern lampshade but which would deserve a more distinctive lampshade. Possibility of sending in France and worldwide by secure and insured package with order tracking. Invoice and certificate provided.
