Roman Bronze Wall Light Depicting The God Mars

2 350 EUR

Period : Before 16th century

Condition : Très bon état

Material : Bronze

Description

Very beautiful Roman bronze wall lamp representing the god Mars. Roman art. 1st - 2d century AD. Copper alloy. 12 cm. Modern pedestal in polished ebony and brass. Beautifully styled, elegant and detailed (for example, we can see the Gorgon-headed phalera on the breastplate). Very good condition. A sought-after subject, Mars is a god of prime importance in the Roman world. Provenance : Art Market (France). Former Toulouse collection (1980s).
