

## Napoleon I Folk Art Wood Mid 19th Century

480 EUR

Period : 19th century

Condition : Très bon état

Material : Solid wood

Length : base 8 cms

Width : base 7 cms

Height : 26cms

### Description

representation of the emperor folk art work directly carved in a mahogany log, pontoon work or the Atlantic coast where mahogany arrived in the ports. The myth and the Napoleonic legend which develops and culminates in the return of the ashes in 1840 gave rise to numerous representations of the emperor. A chip at the back of the terrace
