Description

Large oil on canvas depicting the fishermen's cove in Saint Tropez next to the port. This painting is annotated and dated 1936 on the back, probably by the painter, signed lower left, but unfortunately I have not been able to decipher the name of the painter who painted with a knife and who in our work put a lot of material on the canvas. Beautiful light and colors typical of the Provençal and Mediterranean schools. Beautiful, more contemporary frame in patinated and gilded wood. The canvas measures 61cm x 46cm.
