Description

Impressive French Directoire (1795-1799) Mahogany Mantle Clock. The clock is impressive by the simplicity of the typical Directoire design. Still with the original movement and made original only with a single train movement. The movement with silk suspension. In original condition, no missing pieces. With the original nice old used patination. A similar clock is documented in a French book. (see photo) The movement has been cleaned and is in fully working order. 46 cm high, 28cm wide, 13.5cm deep
